By Hospitality Net June 21, 2021

Acting as exclusive agent, HVS Hodges Ward Elliott has sold the historic Scores Hotel in St Andrews, Scotland to a joint venture led by Northern Irish property investment company Wirefox. The 36-room hotel overlooks the famous Old Course and is situated only yards from the iconic Royal & Ancient Clubhouse. This is the first time the hotel has changed ownership for 34 years. The purchasers plan to refurbish and reposition the hotel ahead of the 150th British Open, to be held at St Andrews in July 2022.
